

Exchange of bodies – border crossing “Davor - Srbac”, September 23, 1995.

died in the “Ivanjsko-grahovsko” battlefield; common grave - Donji Rujani, Livno municipality

During this exchange the representatives of the commission for exchange of Herceg-Bosna handed over **43 bodies** which died in the Ivanjsko - grahovsky battle during the end of 1994. and during the beginning of 1995. to the representatives of the commission for exchange of the first and second Krajiška's VRS army corps. The remains found by members of the HVO and buried in the same common grave which is located next to an Orthodox church in Donji Rujani (Livno municipality). Before the exchange these remains were exhumed from the grave and handed over to the representatives of the Serb Republic. In addition to these bodies the representatives of the commission for exchange of Herceg-Bosna handed over three more bodies to the representatives of the Serb Republic.

List of identified persons published right after the exchange in “Davor - Srbac” on September 23, 1995. Identification performed in Banjaluka - bodies identified using the classic method (by recognition).
